A Licentiate of Sacred Theology is a vehicle to prepare a candidate for Ordination into Holy Orders. Normally his Bishop directs the candidate as to what courses are necessary for preparation.

If we do not have the necessary courses listed in the catalog you may submit other courses using the *Course Development Worksheet*.

We will need your Bishop's written approval of the courses.

Fill in the courses you would like to take either from the catalog, use catalog number and course title, or one you create.
